Subject: DAA/DRA TRANSITION ASK

All,

Thanks for all of the hard work you and your staffs have put into the effort to prepare for transition. As the clock winds down on this phase, we are all working hard to finalize information for the Landing Team.

To that end, I have an ask to make of all of you. Please review the THREE attached files of near-term issues/decisions we will provide to the Landing Team and either give me comments or let me know you have none by **Wednesday, Nov. 2 COB**. If you have comments on the regulatory list, please make appropriate changes in ADPTracker.

As you review, please do so with these questions in mind:

- Are there items missing that you think they should know about?
- Should anything come off of a list?
- Are the entries accurate?
- Can you help fill in blank columns where they exist?

I will also be contacting some of you separately by email about the status of some issue papers. Thanks again, and I look forward to discussing transition matters with you tomorrow.

Shannon
